Options for lunch:

- ◆ Box lunch from Jason's Deli may be ordered at registration, \$11
  - ◆ Bring a sack lunch
  - ◆ Nearby restaurants

*Come join us to learn about Architectural Photography as a specialty within photography, and improve your eye, skills, and techniques to improve your own photographs.*

- ◆ Different types of architectural photography will be discussed to include commercial, fine art, and casual snapshots and the differences between them
- ◆ Techniques and equipment and how to shoot well without the fancy equipment
- ◆ What makes a good photograph of buildings
- ◆ Viewing and discussing participants' images on CD – informal critique
- ◆ Bring your camera, there may be opportunities to use or learn more about your camera during the workshop
- ◆ Bring a CD with maximum 5 architectural JPG images for use in our classroom discussion/informal critique. Label your CD with your name and phone number. CDs with more than 5 images will not be used.
- ◆ If you shoot film and would like to bring 5 prints, please do so.

There will be lots of opportunities to ask questions and discuss ideas throughout most of the workshop. In fact, it will be encouraged ..... so bring a note pad and pencil, be ready to learn.
